Ardent greetings to the workers and the administrative and technical personnel of the construction project on the occasion of the successful completion of the building work for the factory.

Congratulations on your victory, comrades!

We wish you further success in your work of assembling, setting in working order and inaugurating this giant plant. We do not doubt that you will be able to surmount all difficulties and will fulfil with honour your duty to the country.

J. Stalin, V. Molotov

Pravda, No. 305, November 4, 1931
